Two Killed When Car, Bus Crash Near Tahoe Wye

State Patrol Officers Are Among First to Reach Tragedy Scene

Sudden death to two people resulted from a collision between a light passenger car and an eastbound Greyhound bus one mile wes of Truckee Saturday night at 10:30 o'clock.

Lee Don Williams, 32, Herlong driver of the car, and Mary King 31, Albany, were almost instantly killed when the car skidded on the icy pavement on the short grade at the Tahoe Wye and crashed sideways into the path of the bus. Two other occupants of the car, Samuel Mickens, 32, Herlong, and O. B Hanford, 18, Herlong, were injured

None of the 18 passengers on the bus nor the driver, Monroe Earl Chester, 41, Sacramento, was reported injured, although the bus was so badly damaged it was found necessary to send a relief bus from Reno to continue the trip.

State Patrolmen T. F. Sheehan and Martin Sturcke were immediately back of the bus and were among the first on the scene after the crash. Patrolman William Gautsche was notified and assisted in caring for the injured and making the investigation.

The occupants of the Williams car were all colored. The three men were returning Miss King to her home following a visit at Herlong, the officers were advised.

Mickens was taken to the Veterans Hospital at Reno by the Truckee ambulance and Hanford was treated by Dr. L. D. Nelson for minor injuries.

The body of Williams was shipped to Louisiana by the Truckee Colonial Mortuary which also shipped the body of Miss King to Oakland.

TAHOE PATROL'S BEAT EXTENDED INTO EL DORADO

TAHOE CITY— Placer County deputies sheriff H. E. Brooks of Kings Beach and Charles Swanson of Tahoe City went to Placerville recently to be sworn in by El Dorado County Sheriff Rowland Morris as night patrolmen between the county line, near Mayahmee Lodge, and Bliss state park. The arrangement was made by Placer County Sheriff Charles Ward.

For years, residents of that section have sought police protection but because of unusual circumstances, no plan was worked out.

The highway around Emerald Bay usually closes for the winter after the first heavy snow, making it impossible for an El Dorado County officer to patrol the area without making the trip nightly from the south end, almost completely around the lake.

The officers who are assuming this new territory are starting their fourth year of service for Placer County and have been highly commended for drastically reducing incidents of burglary during the winter on their beat. They had traveled around 85 miles nightly, their territory extending from the state line on the north end of the lake, down to the south side of the underpass near Truckee and as far south as the El Dorado County line. The new area will add another 20 miles to their run, bringing their regular patrol to around 100 miles a night.

Six Nabbed After Hitchhiker Tells Story Of Robbery

Threatened Passenger With Jack Handle for $32, Fines $325

Six young men who admitted, officers said, they relieved Charles E. Doyle of Stockton of the biggest share of $35 which he had in his possession after giving him a ride from where his car was stalled on Donner Summit to Truckee, appeared before Justice of the Peace F. W. Wilson Monday and paid fines.

Of the six, four, Merle Vick, 22; Harry C. Fisler, 19; Claude B. Brubaker, 22, and John J. Blake 21, are soldiers at Travis Air Base, Suisun. Larry C. Anderson, 20, is with the navy at Monterey and Wayne L. Armstrong, 21, a civilian, was hitchhiking.

Doyle told Deputy Sheriff Wesley Fair and Constable N. F. Dolley that Brubaker, owner of the car, threatened him with a jack handle and took his $35. As they reached Truckee, the men gave Doyle $3 so he could spend the night inside and make a telephone call.

A call was immediately sent to the Washoe County sheriff's office in Reno and the car was stopped at Verdi with Fair hot on the trail to return to culprits to Truckee.

Brubaker was fined $75 or ordered to jail for 50 days and the other five paid $50 fines each on petty theft charges.

A visit to local stores, nearly all now featuring gift items for the Christmas shopper, will reveal that the Truckee merchants are alert to competitive practices offered in other towns and cities. Local stocks are not only of the highest quality but prices have been kept at minimums. Shopping out of town is no longer profitable and we suggest that you scan the show cases and shelves locally for ideal gifts, attractively displayed, reasonably priced and guaranteed by your Truckee merchants.

We marvel at the good fortune which seems to watch over the railroad crossing at Bridge Street. While there have been a number of minor mishaps there, none of major proportion has been reported in recent years and yet cars cross the multiple tracks daily and scores of trains flash by, east and west. The approaches to the crossing are somewhat hidden, and particularly during winter months when windshields and windows are fogged or snow-covered a terrific hazard exists. Drivers and pedestrians who frequently use the crossing must exercise extreme caution and never for a split moment allow themselves to get careless. Those who use it only on rare occasions, too, should know that no warning, aside from engine bells and whistles, hard to hear with windows closed, will be given. The heavy trains cannot stop in time a avoid a tragedy, so it's up to the driver until such time as a more warning device can be installed, a flagman employed or other safety measures inaugurated.

BESIOS PREPARE TO OPEN STORE AT SHOP CENTER

Truckee's newest business enterprise will be opened next Tuesday when Besio's, at Gateway Park Shopping Center, starts operation, featuring men's and women's clothing.

The new store building, completed this fall and designed especially for the type of business which it will house, has been artistically decorated and furnished for its occupants.

While the bulk of the stock expected for the opening has not yet arrived, Besio said it will be here within a short time, so that a wide selection will be available for Christmas shoppers. Only men's and women's clothing will be sold, with emphasis on the latter, with a complete line of hosiery, lingerie, robes and kindred items being offered.

The owners, Angelo and Eva Besio, are well known in Truckee where both were born and spent their lives, graduating from the local schools and taking part in the various civic and organizational affairs. Besio spent three years as a corpsman with the Marines during the war. They own their home here and have two sons.

Besio is not unfamiliar with the work he is assuming, having worked for several years at Rossarini's clothing store here before entering the service. More recently he has been employed at Fontana's Laundry here.

Work was completed last week on installing the fixtures, flooring and decorations for the store. The Webb Store Fixture Company designed the fixtures, and the flooring was installed by Leamons' Furniture. The lights were from Rasco and the painting was done by Denis Sach. J. R. Wolert was the general contractor.

The new owners invite inspection and extend an invitation to their many friends to drop in next Tuesday.

Basketball Occupies Sport Scene As Vets Beat Sparks; High Team Loses

The American Legion's Truckee town basketball team showed a lot of steam for a cold night last night, downing the Sparks M Men here 52 to 36 in their first game of 1951-52. The locals will take on the Hawthorne Marines here Sunday afternoon at 2:30 and next Wednesday night will host the Western Mercantile quintet of Sparks at 8 o'clock.

Last night, Truckee pulled away from a 16-15 first quarter lead to 34-17 at the half, 48-25 at the third quarter. Bob Barber led the locals in points with 13, Al Wakefield sank 12 and Jack Lambres 11. Johnson, Sparks center, racked up 15 points to high-point the game. Other locals playing were Art Williams, Mike Goicoa, Jim Flynn and Les Davidson.

Seasonal tickets are now on sale and each player has a few to sell. Fans are urged to buy one, since the players have gone to a great deal of expense this year in buying new uniforms, jackets and equipment. A season ticket costs $5 and is good for the 25 home-game schedule, averaging 18 cents per game. Aside for the holiday weeks at year's end, the team will play home games each Sunday at 2:30 p.m. and Wednesday at 8 p.m

The Tahoe-Truckee High School Wolverines opened their 1951-52 basketball season last Friday night. The A ad B squads, plus 22 enthusiastic rooters, traveled to Portola to challenge the Tigers in their first games of the year. Both squads showed surprising strength after very limited practice time due to the incompletion of the high school gym.

The B squad, playing under their new team name of the Cubs, were defeated by a sharp shooting Portola club 24 to 42. The Cubs held their own until the third quarter when the opposition took command of the ball game. The Cubs consist of Dallas Marquis, Louie Ramirez, John Moore, Les Lazzari, Jerry Quam, Ray Dixon, Charlie Smith, Howard Miller, Jeep Reid, Bill Port and Hugh Van Hooser.

The A squad, hencefore the Wolverines, pushed the Tigers through most of the game, trailing only two ponts at the third quarter (31 to 33), after having played to a half-time tie at 19 all. Showing lack of sufficient practice and conditioning, the Wolverines could not maintain the pace and finally succumbed 46 to 35. The A squad is made up of Joe Garcia, Sheldon Jones, Bob Tonini, Russ Harried, Bob Mantooth, Joe Copeland, Tom Grow, Ed Alameda, Clyde Mandeville, Al McGee and Charlie Cozzi.

The teams were scheduled to play the Stewart Indians at Carson City last Saturday night but the game was cancelled due to weather. A future meeting of these teams will be scheduled.

Friday, December 7, the local school squads travel to Gardnerville to play Douglas County High School teams. The B games start at 7 p.m. Other games scheduled in the near future are with Grass Valley there December 11 and at Loyalton December 14. Also tentatively scheduled are games with Susanville, Nevada City, Tahoe Valley and Placer of Auburn.

Both local squads are coached by Jim Brehler. The teams are using the American Legion court until their new gymnasium is ready for occupancy.

HIGH SCHOOL TO MARK HOLIDAY WITH PROGRAM

The student body of the Tahoe-Truckee High School will present the annual Christmas program on Sunday evening, December 16, at 8 p.m. in the cafeteria of the new building.

The theme of the program will be 1900 years of Christmas observance, featuring 30 members of the school chorus, the 7th, 8th and 9th grades chorus and the brass section of the band in sacred seasonal music from earliest times to the present, directed by Ernest Douglas. A tableau depicting Christmas spirit through the ages will be staged in conjunction with the appropriate music.

Immediately following the program, refreshments will be served by members of the High School Parents and Teachers Association and newly completed classrooms will be open to visitors.

YOU CAN'T QUIT McKAY'S, STURM'S ATTORNEYS TOLD

James McKay and Robert Sturm, youthful accused slayers of two Shasta County sheriff's deputies, arrested here the day following the brutal killing near Redding by Patrolmen William Gautsche and George Schrom, will be retried in Tehama County.

The order by Judge Benjamin Jones of Lake County was the result of a state supreme court directive which reversed the death sentence given the youths in the Shasta superior court and ordered a change of venue.

Judge Jones also denied requests of Kennedy Jackson and Rupert G. Crittenden, Oakland attorneys appointed to defend McKay, and William Lally, Sacramento attorney appointed to defend Sturm, that they be relieved from the case. Their petitions said there "had been a conflict in policy and attitude between defendants and attorneys" since the first trial."

Wilds Driving a Bit Wild, Car Rolls Near Farad

William Wilds, 33, Stockton, escaped without injury on Friday evening at 6:30 o'clock when the light sedan he was driving skidded, ran up the bank near the Farad drinking fountain along Highway 40 and upset on the roadway. The car, with its wheels in the air, spilled oranges over a wide area.

State Patrolman William Gautsche cited Wilds for driving without due caution and having faulty tires.

Heavy Storm In This Area Stops Highway Traffic

Blizzard Brings Snow Total At Donner Summit To 7 Feet

Violent storms which had lashed out at the Pacific Coast during the past several days, bringing record precipitation and winds up to 100 miles an hour, had apparently subsided today, leaving over 84 inches of snow on Donner Summit and around 24 inches at both Truckee and Tahoe.

While the Truckee district failed to register more than gusts of wind during the storm, it was so strong over Donner Pass Tuesday night that it was found advisable to close Highway 40 for several hours. Visibility was absolutely zero, according to the highway patrol, and it was virtually impossible for vehicles to proceed.

Patrol Assists

The Donner school bus from Truckee reached the summit without difficulty under the capable driving of Harry Eaton, but State Patrolman William Gautsche said that rather than risk the heavier vehicle getting stuck in heavy drifts, the children were taken from the summit to their homes in patrol cars in the raging blizzard.

During Tuesday night the winds dropped and travel was resumed without delay. Scores of trucks and cars had been turned back at Donner Lake and Baxter during the time it was at its height, local streets and highways being nearly blocked, with many vehicles returning to Reno for the night.

Telephone and power lines suffered some damage but service, with the exception of portions of Lake Tahoe, was not interrupted.

Three giant rotary plows kept traffic at near-normal over the Southern Pacific and additional passenger cars were required to take bus passengers, stalled here, on their way westward.

Precipitation High

The forest service reported 5.25 inches of precipitation for the past week with 26 inches of snow. This brought the precipitation for the current season to 14.74 inches or 6.48 inches over normal for the season to December 31.

Last year, as a result of torrential rains, the precipitation for December 31 was 25.23 inches, or more than 17 inches above normal.

Clearing and colder weather was predicted for the balance of the week, giving bright prospects for the winter sports activities scheduled for the area.

ZORICH SKI SHOP OPENS ON SUMMIT SATURDAY, DEC. 8

SODA SPRINGS— Bud and Barbara Zorich announced this week that they are opening their new Zorich Ski Shop, next to Soda Springs Hotel, on Saturday, December 8. The shop will be operated in conjunction with their ski school, which has operated for the last few seasons.

The Zorichs are well known all through the area. He is a native of Truckee, served in the ski troops during World War II and since has been teaching skiing in Truckee and at Donner Summit. Mrs. Zorich is a former teacher at the Soda Springs school.

Their shop, finished to harmonize with its surroundings, will feature completely new rental equipment, ski clothes and accessories, and "everything for the skier," including expert counsel on skiing problems.

Rotary Christmas Party Will Be Staged Dec. 17

The regular meeting of the Rotary Club of Truckee was held at Donner Lake Lodge on Monday evening. The announcement was made that the club would join with the Lions Club in a visit and dinner at the new high school next week.

The club Christmas party will be held December 17 at 7 p.m. at Donner Summit Lodge. A 100 per cent attendance is requested.

President W. F. Curran presided at Monday's meeting.

Student - Biting Feline Maybe Angry, Not Mad

The much-ado over a stray tom cat which was said to have bitten a couple of high school students three weeks ago has dwindled to the mere fact that the cat hasn't rabies and that Mrs. E. M. Roesner, wife of the Grass Valley veterinarian who had the animal under observation, has developed an affection for the beast.

Dr. Roesner took the cat into custody after the animal took a nip at the students, when Dr. L. D. Nelson suggested it might have rabies.

LAKE TAHOE SKI CLUB TO KEEP LEADERS FOR TWO-YEAR TERMS

TAHOE CITY— The Lake Tahoe Ski Club cleared $210 on its recent turkey dinner party in the community hall, Mrs. Blanche Donaldson reported to the sixty members present at the last meeting.

It was voted that in the future all club officers elected will serve for two year terms instead of one as at present.

At a directors meeting, after the club meeting, it was decided to lease to Kjell Rustad, operator of Granlibakken Ski Resort, one of the surplus tows owned by the ski club. He will operate it and offer to any resident ski club member a season ticket for $5. The road from Bob Scates Stable, leading into Tahoe City, was opened Sunday and the new bridge across the Truckee River was installed by Rustad, who will keep the road open to Granlibakken all winter. It is about one-half mile from the highway to the resort.

Two donations were welcomed by the club. One for $500 from the Lake Tahoe Sierra Association will be used to advertise the marvelous advantages of the Lake Tahoe winterland. The other was for $50 from Breuner's of Sacramento for the coming junior national ski championship meet here in March.

Bill Bechdolt presided. The next meeting date is Friday, Decr. 7th.

There will be entertainment by the various classes, refreshments and community singing. Local clubs and merchants will donate the candy and gifts as in former years.

NORTH TAHOE

by THELMA BURROUGHS

The Council of North Tahoe Organizations got underway this week after a month of organization efforts, electing officers as follows President Harry Charrison, Vice president Walter Mandeville, Secretary-Treasurer Dorthy O'Brien The council envelopes all clubs, organizations and churchs from Incline Beach to Dollar Hill, each having two representatives and one alternate who will take upon themselves the job of helping solve problems that any one of the council members may have, thereby throwing the support of the whole community into making Lake Tahoe a better and safer place in which to live.

The first project of the new organization is to undertake giving a monster Christmas party for the kiddies of the community which will be in the hands of Mrs Alice Sorensen, Lynn Kishbaugh and William Dugan.

Mrs. Sorensen called the first meeting of the committee Monday at which arrangements were begun for the grand party which will be held at the Brockway theater at 7 p.m. December 18. There will be more information next week as plans develop. Those who may be interested in contribution of time and talen to the success of this party should contact Babe Gordon (Brockway 142), Ruth Misner (Brockway 163) and Alice Sorensen (Brockway 96). These ladies will be so happy to have your offer of apropriate music, a play or any good suggestions for rounding out an outstandingly successful Christmas party this year for everyone in Kings Beach.

* * * *

Another party to be staged right away is that Christmas party by and for the North Tahoe Women's Club at the old Stop and Shop store in Kings Beach Thursday evening, December 13. Each woman is to bring a one dollar gift in addition to her $1.50 admission fee. And, ladies, do include your capacity for fun. The $1.50 is for refreshments to your liking. For reservations call Clara Van Hooser, Brockway 289W.

Parties! Parties! Year-end good times! With some gay souls even forgetting taxes. This reminds me. The Lake Tahoe Chamber of Commerce wives are advised that because of such a abundance of activity the proposed box social scheduled for December 15 has been postponed. A later date will be set for the event.

The Lake Tahoe Lions Club will hold a ladies night dance at Cal-Vada Lodge Saturday night, December 8, with a special orchestra to provide music. There will be no dinner. Money collected will go toward providing for the needy at Christmas time. Invitations are being sent other nearby service clubs and members and their ladies will attend.

Friends of Mr. and Mrs. Richard Belcher of Tahoe Vista extend sympathy to al the bereaved of that family with the tragic death of Robert Fowler, Bakersfield, last Friday night. On November 27, the Belchers were notified of the birth of a son to their daughter Barbara, and her husband, Robert Fowler. On Saturday morning, December 1, another message arrived announcing the death of the father in a traffic accident the night before. Mrs. Belcher left for Bakersfield last Sunday where she will remain with Mrs. Fowler until such time as it seems advisable to return to her home in Tahoe Vista.

Ann Woodland of Hillsborough and Tahoe Vista journeyed to Sacramento last Friday where she joined Richard Boyce for that weekend trip to their homes at Lake Tahoe. Louella Boyce divides her time between the Boyce and Woodland homes to keep all the home fires burning and in order.

Little Susan Walsh celebrated her fifth birthdate November 22. There was a get together of friends and nice birthday cake for Susan on Thanksgiving day. Then last Friday, Susan's birthday party at the school was enjoyed by her classmates too. Susan is the granddaughter of Mr. and Mrs. Dan Anderson of Tahoe Vista.

Preston M. Burroughs of The Burroughs celebrated his "Jack Benny" birthdate on December 4. Preston Jr. celebrated his 30th birthdate December 2.

Little Harry Jensen, son of Hanna and George Jensen formerly of Tahoe Vista and currently living at Monrovia, celebrated his 2nd birthday on December 2.

Mr. and Mrs. Fred Rockholm of Kings Beach will spend part of the winter at Palm Springs.

Calla lilies and red roses! Can you imagine them now? Just talked with Mrs. Henry Chanda, who recently returned from southern California. After spending six weeks down there in the smog with beautiful flowers blooming under their windows, the Chandas are happy to be back at home in Tahoe Vista despite their harrowing experience of having to sleep in their car near Bridgeport during a storm when the snow gates were closed both fore and aft and all rooms taken.

Young Borue O'Brien came up from Alameda last week to visit his mother, Dorothy O'Brien. He is stationed aboard a Coast Guard cutter on weather patrol. He'll be leaving Alameda again around December 18. Likes his work very much.

Marshall C. Smith, with Kreplin Bros. in Oakland for the past six years, has terminated his employment there and assumed new duties with Nevada Auto Supply, Reno. The Smiths (Pauline, Nancy and Marshall) expect to make their home in Reno permanently.

Tahoe Letter

Tahoe City, Dec. 2

Dear Tahoeites:

Lake Tahoe may soon have another prominent resort remaining open for the winter. C. Don Huff and son of Homewood Resort were up from Woodland last week. Huff has had steam heat installed and hopes to open the resort at Christmas time until after New Year. This is not certain but may occur if the heat istallation work is completed by that time. He has acquired the slope of the mountain across the road from the resort and may someday install a tow and develop a beautiful skiing hill there

Was indeed sorry to learn of the accident which happened to my friend, Mrs. Lucille Cross, who was reportedly cut and bruised when her car hit a roadside bank and turned over near Gold Run. I called her husband and learned her injuries were minor. Am certainly glad her injuries were not serious as she has suffered enough in the last five years to cover a lifetime

The Bud Scotts returned home from their vacation jaunt over Thanksgiving holidays at the home of his parents, the Bert Scotts of Piedmont. Both Skippie and Nippie Scott were on the sick list last week but both are improved at this writing.

Friends of Mrs. Beccy Shontz were sorry to learn that she has again been ailing since her return from a Woodland hospital and may have to return there.

The Al Henrys Jr. are away on a vacation while Grandpa and Grandma A. M. Henry mind the children . . . Cary Hadsell has returned to Homewood Hotel following a visit in Woodland . . . Sig Ulland was up from San Leandro and greeted old friends at Squaw Valley.

Through last night's storm, the big pine in the midst of Tahoe's main thoroughfare twinkled merrily with the Christmas spirit as its rows of colored lights danced in the wind. Have forgotten its exact measurements but know it is the the largest living Christmas tree of its kind. It separates at about shoulder height and branches out into a twin tree, ranging around 127 feet high. On a clear night it can be seen across the lake a distance of about 15 miles.

Mrs. Robert Pomin of Tahoe City was honored at a cradle shower on November 27, hosted by Mesdames Helen Mattheus, Jean Henry and Izola Porter. Guests gathered at the Henry home here where appropriate decorations adorned the living room. Mrs. Pomin opened her many lovely gifts. Late canasta and refreshments were enjoyed. Attending beside the above were Mesdames Bernie Bechdolt, Beccy Shontz, Martha Snyder, Patti Scott, Mary Anna Connors, Betty Starratt, Marge Fellows and Miss Kay Starratt.

Mrs. Ivan Wilson of Lake Forest and son, Douglas, returned Sunday from a vacation at the home of her parents, Rev. and Mrs. Carl Critchett of Santa Ana. They rode as far as San Fernando with Mr. and Mrs. Wesley Donaldson of Tahoe and took a bus to Santa Ana. The family enjoyed Thanksgiving dinner at the home of Mrs. Wilson's sister, Mrs. George Youngberg, and family in Santa Ana. Ivan and daughter Carol were Thanksgiving guests of his brother, Ed Wilson, and family at Kings Beach.

On November 28, Ivan Wilson narrowly escaped serious injury when his car was struck by a falling pine near Big Chief. He was en route to Truckee and by skillful maneuvering swerved his car and missed the main trunk of the big tree. His car was caught under heavy branches which dented the fenders and top, broke the windsheild and inflicted a deep gash on the side of the driver's head which required six stitches by Dr. L. D. Nelson of Truckee to close the wound. He managed to skirt the big tree and continued on to Truckee for medical treatment.

Mrs. Marie Henry, Tahoe City, member of the Placer County board of health, has writte the board at Auburn to have Dr. Jose Nessim of Kings Beach appointed to visit the Tahoe City school at least once a month to examine the children and give talks on health problems. Dr Nessim recently returned to his Tahoe practice after eight weeks of medical studies at Chicago and Fontana. He also took time out for a minor eye operation while away.

Ring off for another week with a cheery adios to one and all. As ever, Swanee.

Costs so little... always so welcome

Tarzan®

by EDGAR RICE BURROUGHS®

UNDER TARZAN'S DIRECTION, MATO AND HIS WARRIORS AMBUSHED THE PANTHER MEN RETURNING FROM THEIR SACRIFICIAL TEMPLE. THE CELEBRANTS RALLIED DESPERATELY, BUT TO NO AVAIL.

THEN, SEVERAL KEMBAS HEAVED TORCHES AT THE THATCHED HUTS. BUT THE BILLOWING SMOKE HID A REMAINING PANTHER MAN.

WITH HATE-FILLED EYES THE FANATIC PICKED UP A WARPED LOG, CREPT TOWARD THE APE-MAN, AND---!

... MINUTES LATER, TARZAN REGAINED CONSCIOUSNESS, DAZED AS THE THREADS OF HIS DISTURBED MEMORY RETURNED -- OF COURSE, THE GIRL! SHE MUST BE THE ONE WHOSE CAMP HIS FRIENDS, TUSKER AND SPORT, HAD FOUND A SHORT TIME AGO!

IGNORING THE ACCLAIM OF THE JUBILANT KEMBAS, TARZAN SPED BACK TO THE TEMPLE. TIME ENOUGH LATER TO TELL MATO OF THE TREACHEROUS WITCH DOCTOR -- AND THAT "BUSH SPIRIT" NO LONGER EXISTED!

... AT DUSK, TARZAN REACHED THE BUILDING, DESERTED EXCEPT FOR A FEW DRUNKEN PRIESTS AND THE DESPONDENT WOMAN. APPARENTLY THE ORGY WAS SO SUCCESSFUL, THE PANTHER MEN FORGOT THEIR SACRIFICIAL VICTIM!

"HURRY!" WHISPERED THE APE-MAN, RELEASING THE GIRL. "THERE IS NO TIME FOR EXPLANATIONS. WE DEFEATED THE PANTHER MEN IN BATTLE, BUT IF THERE ARE ANY SURVIVORS, THEY WILL RETURN HERE!"
